PROVIDE INPUT ON PROPOSED 2018-19 SCHOOL YEAR CALENDAR

The Simcoe County District School Board (SCDSB) invites public school communities to submit input regarding the proposed school year calendar for next school year (Sept. 2018 to June 2019). Starting Jan. 9, input can be provided by visiting www.scdsb.on.ca, then clicking the link on the 'School Year Calendars' page under the 'Schools' menu. All stakeholders including staff, school council members, parents/guardians, students and members of the school community are invited to provide input. The deadline to submit input is Jan. 31.

ATTEND A FRENCH IMMERSION INFORMATION NIGHT: REGISTRATION OPENS IN JANUARY

The SCDSB offers French Immersion (FI) at select schools throughout Simcoe County beginning in Grade 1. The goal of the FI program is to enable students to communicate in French with a high level of proficiency, enabling them to function with ease in both French and English. Upon graduation from the program, students will communicate in French with confidence in a wide variety of real-life situations. Information sessions take place in January for parents of students in Senior Kindergarten. Information session dates are posted at www.scdsb.on.ca under Programs, French as a Second Language. The FI online application form will be available from 9 a.m. on Mon. Jan. 22, until 9 p.m. on Wed. Jan. 24, 2018 at www.scdsb.on.ca under Programs, French as a Second Language. While every effort is made to accommodate all FI applications, available space and staffing will determine how many students can be registered. Applications will be processed in the order they are received electronically. Please contact the school if you do not have Internet access at home or require assistance accessing the online application. Please note that the host sites for FI may change during your child's time in the program, and your child may need to move schools. This may also include splitting the program between two different sites.

KINDERGARTEN REGISTRATION STARTS THIS MONTH

Do you (or someone you know) have a child who was born in 2014? If so, it's almost time to register them for Kindergarten in the SCDSB! Beginning Jan. 22, our elementary schools will register children for Kindergarten for the 2018-19 school year. Required registration documents include birthdate documentation, proof of address and immunization records. Visit www.scdsb.on.ca/kindergarten for more information.

SCHOOL'S IN FOR SUMMER AT THE SCDSB

Are you and your child planning their courses for next school year? Looking for a way to create flexibility in their timetable and earn a credit? Consider summer school!

Each year, the SCDSB offers a variety of summer programs to over 2,000 students. Summer school options include open, college and university level courses from Grades 9 to 12. Courses are offered in-person or online. Interested students can also travel and earn credits with the summer EduTravel program.

Summer school program details can be found on the Learning Centres website at www.learningcentres.com. Current SCDSB students should speak to their guidance counsellor for information and to register. Register now so that your summer school choices align with course selection for next year!

The Rainbows Program is being offered at Hewitt's Creek this year. The Rainbows Program is committed to helping children grieve and grow after loss. It is a grief support group and works to help vulnerable children who may be working through loss due to death of a family member, divorce or children in foster care. Rainbows builds the confidence and self-esteem of hurting children. If you are interested in this program for your child, it is recommended that you first talk to your child's teacher and then contact the school Co-ordinator, Tanya Trembath to place your child's name on the list for Rainbows groupings.

REMINDER ABOUT SLEDDING SAFETY AT SCHOOL

At recess, weather permitting, we allow the students to slide down the hill on their snow pants only. There are special times (not at recess) when classes go out with sleds. We do not allow sleds of any kind on our "big hill" because of the retaining wall and trees at the bottom of the hill. Please see below for the board/school guidelines for sledding.

Student safety is our first priority, and although we do allow "crazy carpets" and soft sleds at our school, we do not allow hard sleds, two-person sleds or snow racers. We do supervise sledding and we remind students of safety rules on a regular basis.

We want to inform parents that if students are sledding at school, Ophea (the Ontario Physical and Health Education Association) recommends that they should wear a properly fitted (as per manufacturer's guidelines) and properly worn CSA-approved hockey helmet or snow sport helmet certified by a recognized safety standards association.

If you send a sled and helmet (optional) to school with your child, you are giving permission for your child to take part in this activity.

RVH FILM FESTIVAL WELCOMES STUDENT SUBMISSIONS

Barrie's Royal Victoria Regional Health Centre (RVH) has partnered with the Simcoe County District School Board, the Simcoe Muskoka Catholic District School Board and Unity Christian High School to offer students, classes and schools the opportunity to participate in RVH's annual Film Festival in two external categories:

- Kindergarten to Grade 6
- Grade 7 and up

This year's theme is "Making mental health matter - how are you making a difference?" Students and classes are invited to make a two-minute video showing how they promote mental health. The deadline for submissions is Feb. 5. Voting will take place from Feb. 16 to 26 and those with the winning entries will be invited to an awards ceremony on March 8. Find out more and submit your video at: www.rvh.on.ca/SitePages/rvhfilmfestival.aspx.

CHANGES TO ONTARIO EARLY YEARS CENTRES EFFECTIVE JAN. 1

In February 2017, the Ontario government announced the transformation of the delivery of early years programs for children and families. Starting in January, Ontario Early Years Centres, Parenting and Family Literacy Centres, Child Care Resource Centres and Better Beginnings, Better Futures centres will collectively be known as EarlyON Child and Family Centres. These EarlyON Child and Family Centres will be open to all families across Ontario, and provide support, parenting programs, personal connections and a network of resources as well as play- and inquiry-based programs for young children.

Effective January 1, Child and Family Programs currently in schools will be relocated to the community. These four agencies will now manage EarlyON Child and Family Centres in Simcoe County:

- OEYC Simcoe North, www.oeycsimcoenorth.ca
- Simcoe Community Services, www.simcoecommunityservices.ca,
- E3 Community Services, www.e3.ca
- La Clé (Francophone), www.lacle.ca

For specific days and hours of operation, please contact your local lead agency. Information can be found by visiting www.scdsb.on.ca – 'Schools' – 'Before & After School Care.'

FIVE HEALTHY NEW YEAR'S RESOLUTIONS FOR YOUR FAMILY

Some of the top New Year's resolutions across all age groups for 2017 were eating healthy, getting in shape and reducing stress. So, how do you set and achieve a resolution to be healthier? It's been proven that the key to success is setting small goals which require steps towards a larger goal. Here are some New Year's resolutions that families can work on together in 2018:

- spend 30 minutes outside playing together as often as possible, regardless of the weather
- find a place that provides opportunities for the entire family to be physically active together or offers child care and after-school programs
- add physical activity or play time to the calendar, such as scheduling an evening walk or fitness class, with the same commitment as other important meetings
- pick a fun run/walk or 5K to do as a family – sign up, train and participate together
- have more family dinners together and involve children in preparing meals as much as possible
